the war in yemen is finally coming under scrutiny as the west considers its controversial dealings with saudi arabia

in recent years there has been much controversy about the proper forum in which to prosecute and punish suspected terrorists some have endorsed aggressive use of military commissions others have proposed an entirely new national security court however as the nation strives for a vigorous and effective response to terrorism we should not lose sight of the important tools that are already at our disposal nor should we forget the costs and risks of seeking to break new ground by departing from established institutions and practices as this white paper shows the existing criminal justice system has proved successful at handling a large number of important and challenging terrorism prosecutions over the past fifteen years without sacrificing national security interests rigorous standards of fairness and due process or just punishment for those guilty of terrorism related crimes
